1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

On July 8, 2020, while plaintiff, Michael Soulier  
were driving step sons dirtbike in Red Cliff, WI.,  
on a extremely hot and humid day, Eric D. Swan a Bayfield  
County sworn Red Cliff Officer had stopped plaintiff on the  
dirtbike. Officer Swan approached plaintiff and said "Do  
you know me!" "Why were you running?" "I explained my  
situation, and I stated I have no reason to run from you!  
I just seen you a half block ago and you waved to  
me! Plaintiff stated to the extremely aggressive officer

"Aren't you being investigated for conduct like this?" He yelled "Hands behind your back for fleeing!" Swan cuffed the Plaintiff so tight it cut off circulation to Plaintiff hands, then Swan aggressively put Plaintiff into a extremely hot squad car with windows up for 30 minutes in front of witnesses. As they watched me scream out "I can't breath and flailing uncontrollably, gasping for air. I realized officer Adam Lease speaking to a witness, he was no help to the abuse. Ms. Butterfield is a main witness and was immediately intimidated by officer Swan and his aggression and officer Swan to assue Plaintiff Michael Soulier would get No investigation prior to the abusive unprofessional arrest.

Plaintiff was then escorted to Bayfield County Jail where the Plaintiff Michael Soulier immediately asked the Bayfield County Jail staff for medical attention as the cuffs were so tight, it cut the circulation to the hands and fingertips. The Plaintiff Michael Soulier told Bayfield County staff his heart hurt and was racing from being in the extremely hot squad car with windows up for too long. The Plaintiff Michael Soulier was denied medical attention throughout

the incarceration. Also, in the interest of justice the Plaintiff Michael Soulier was denied Equal Protection under the Law of the Constitutional Guarantees; when Plaintiff Michael Soulier requested and asked to make an official complaint to address the extreme force and Police Brutality caused by Officer Eric Swan. The Plaintiff was denied by the Non-Compliant 280 Federal Law provider Bayfield County and its sub-division; Bayfield County Tribal Relations Committee. Without full investigation the Plaintiff Michael Soulier had been overcharged with an extremely high bail. Without a full investigation the Plaintiff was forced to take a deal again, denying the Plaintiff Michael Soulier Full Equal Protection of the Law. Plaintiffs' rights to fundamental fairness was extremely damaged when Bayfield completely ignored the Plaintiff Michael Soulier Rights under the 1968 Indian Civil Rights Act. Bayfield County and its sub-division protected Officer Swan's illegal activity, where Officer Swan had been fired from Polk County for excessive force in his past history of law enforcement.

Plaintiff Michael Soulier seeks damages for both his heart and wrists, injuries that required separate medical treatment. Plaintiff Michael Soulier would like the Court to consider damages to Mr. Soulier's abridged rights throughout the Court process. No investigation for Plaintiff Soulier by Bagfield County violated Plaintiff's 5<sup>th</sup> Amendment, Right to Due Process, and Constitutional Rights. Plaintiff's Rights to 6<sup>th</sup> Amendment, Rights of the Accused violated as well. Plaintiff's 8<sup>th</sup> Amendment, Plaintiff Michael Soulier be FREE from excessive Bail and Cruel Punishment were violated. Plaintiff's 14<sup>th</sup> Amendment, Right no person should be denied Due Process from the Law. All of this has caused the extreme legal deprivations and will haunt Plaintiff Michael Soulier forever.
